

# BANDINGSTATION PSB-56

MASCHINENBAU  
für die  
grafische Industrie

## Technical Data

<b>Elektronical Power</b>	
Voltage	230 V, 50 Hz,
Power Consumption	1kW
Motors	Wear-free DC drive, brushless motor technology
Security Features	Emergency Stop Switch
Serial Interface	Folding machine, Stacker
<b>Machine dimensions</b>	
Dimensions [LxWxH]	890 x 680x2100mm (LxWxH)
Weight	Ca. 160 kg
Compressed air	6 bar, try, unoled air, adapter ¼ inch
Air consumption	Max. 50 l/min
Noise emission	< 59 dB (A)
<b>Electronic</b>	
Controller	Siemens S7
Display	Touch-Screen
Mode of operation	AUTO, Manual
Language	Selectable: German, English, France, Spain, Italy
<b>Product details</b>	
Size of products	Min. 105x 95 (LxW) max 560x 320 (LxW)
High of products	Min. 5mm max 150mm
<b>Banderoles</b>	
<b>Material</b>	<b>Polypropylene (PP) / Paper on side coated</b>
Film thickness	up to 50µ - 100 µ
Batches	1-3 batches
Rate of production	60.000 sheet per hour
